

**Mr. Jedsada Junpha**  
E-mail: Jedsada\_junpha@yahoo.com  
*Lecturer*

**Research Fields:**

- Synthesis and applications of carbon nanotubes (CNTs)
- Electronic tongue

**2012– Present**

**Ph.D. Candidate (Materials Science and Engineering)**

Mahidol University, Bangkok, Thailand

**2003-2007**

**M.Sc. (Physics)**

Department of Physics, Faculty of Science, Chiang Mai University, Chiang Mai, Thailand

**Research Topic:** Ink-jet Printing Technique and Electrical Conductivity of Carbon Nanotube-ink Composite on Flexible Films

**1999-2003**

**B.Sc. (Physics)**

Department of Physics, Faculty of Science, Maharakham University, Maharakham, Thailand

**Research Topic:** Studies Spectrum of the Hydrogen Atom and the Spectrum of the mixture of gasoline by Bohr Theory
