

**Asst. Prof. Thanjira Boonpichayapha**  
E-mail: thanjira\_boon@hotmail.com  
*Lecturer*

### **Research Fields:**

- Radiation Safety and Protection
- Radiation Measurement and Dosimetry
- Non-destructive Testing
- Nuclear Energy and Radiation Utilization

**1991-1995**

**M.Eng. (Nuclear Technology),**  
Department of Nuclear Technology,  
Faculty of Engineering, Chulalongkorn  
University, Bangkok, Thailand

**Research Topic :** Development of  
Polyvinyl Alcohol-Methylene Blue  
Films for High Radiation Dose  
Measurement

**1981-1984**

**B.Sc. (Physics),** Department of Physics,  
Faculty of Science, Silpakorn University,  
Bangkok, Thailand

**Research Topic :** Study of Liquid Crystal  
Phases Transition Temperature

**Work Experience**

**1985-1997**

**Radiation Physicist in Personal**  
Dosimetry Section , Division of Radiation  
Protection and Radioisotope &  
*Radioimmunoassay* (RIA) Laboratory,  
National Institute of Health of Thailand,  
Department of Medical Sciences,  
Ministry of Health, Thailand
