

Dr. Adul Harnwungmoung
E-mail: adul_harn@yahoo.com
Lecturer

Research Fields:

- Thermoelectric materials
- Multifunctional materials

2005 - 2007

M.Sc. (Applied Physics)

King Mongkut's Institute of Technology
Ladkrabang, Bangkok, Thailand

Research Topic: Characterization of
CdTe thin films deposited by close-
spaced sublimation method

1996 - 2000

B.Sc. (Applied Physics)

Mahasarakham University, Maha
Sarakham, Thailand

2008 – 2010

**Ph.D. (Sustainable Energy and
Environmental Engineering)**

Osaka University, Japan

Research Topic: Thermoelectric
properties of group 13-filled
Skutterudites
